Health Report

August is Children's Eye Health and Safety Month Parents Can Help Start a Successful School Year with Healthy Vision for Kids

Making Eye Health a Priority is One Way to Help Children See a Brighter Future (courtesy of Prevent Blindness America)

As many kids are gearing up to begin a new school year, Prevent Blindness America wants to encourage parents to add "get my child's eyes checked" to their list of things to do. Having a child's vision tested by an eyecare professional can help them towards greater success in the classroom since much of a child's learning is done visually. Some students who have been diagnosed with learning disabilities may simply have a vision problem.

Prevent Blindness America, the nation's oldest volunteer eye health and safety organization, has declared August as Children's Eye Health and Safety Awareness month in an effort to encourage parents to learn about ways they can help protect their child's vision. Parents and caretakers are encouraged to visit preventblindness.org for free information on a variety of children's vision health topics including eye conditions and eye safety.

Many children may not know that they have a problem because they think how they see is how everyone else sees. An eye exam is the ideal way for parents to know if their child has a vision problem. Parents should also watch for the following signs:

What do your child's eyes look like?

- Eyes don't line up, one eye appears crossed or looks outward
- Eyelids are red-rimmed, crusted or swollen
- Eyes are watery or red (inflamed)

How does your child act?

- rubs eyes a lot
- closes or covers one eye
- tilts head or thrusts head forward
- has trouble reading or doing other close-up work, or holds objects close to eyes to see
- blinks more than usual or seems cranky when doing close-up work
- squints eyes or frowns

What does your child say?

- "My eyes are itchy," "my eyes are burning" or "my eyes feel scratchy," "I can't see very well."
- After doing close-up work, your child says "I feel dizzy," "I have a headache" or "I feel sick/nauseous."
- "Everything looks blurry," or "I see double."

For eye conditions such as amblyopia, or "lazy eye," the earlier it is detected and treated, the greater the chance of preventing permanent vision loss. Amblyopia occurs when the brain and the eye are not working together effectively. As the brain develops and receives diminished images from the affected eye, it begins to suppress those images and favor the unaffected eye. If this condition persists without treatment, the weaker eye may become totally ineffective for vision.

In many cases, placing a patch over the unaffected eye is a common form of treatment for amblyopia, with the goal to strengthen the weaker eye over time. But compliance can be challenging for many children and their parents. [Prevent Blindness America's Eye Patch Club](#) is a program designed to encourage children to wear their eye patches as prescribed by their doctor. Among other materials, members of the club receive their own special calendar and stickers.

The stickers are placed on the calendar for each day the child wears his or her patch. Once the calendar is complete, the child may send it into Prevent Blindness America to receive a special prize. The Eye Patch Club kit may be purchased for \$12.95 with all proceeds going to Prevent Blindness America's sight-saving programs.

"Helping to protect children's eyes from unnecessary vision loss is what Prevent Blindness America was founded on more than 100 years ago," said Hugh R. Parry, president and CEO of Prevent Blindness America. "We want to work together with parents today to ensure all children are on the path to a lifetime of healthy vision."

For more information on children's eye health and safety, local financial resources for eyecare, or to sign up for The Eye Patch Club, please call Prevent Blindness America at (800) 331-2020.

Be Safe, Be informed and enjoy healthy living!

Yours in Christ,
PGK Hal Griffin

FROM THE DESK OF THE FINANCIAL SECRETARY

Brothers,

This month we begin activities that will carry us into the new Columbian year. One of those activities is that our council bowling teams are reforming this month for the season at white sands lanes on Beal parkway. Last year we had three teams, but right now we are looking at having at least two (five man) teams. If you wish to join, the time is now. Please call me (or Brother Gil Halliday) soonest. If there are enough bowlers for a third team, Brother Bart Koepke told me he would captain up one. We try to have enough subs to where vacations and the like are accommodated.

I am proud to announce that \$500 checks were awarded by the Vocations Committee to Seminarians Matthew Busch and Stephen Olson. Both are from our Diocese and both are less than two years from ordination. They will be in theological studies this coming year at St. Vincent de Paul Seminary in Boynton Beach. Those funds will really help with gas and tolls. The Supreme Council RSVP program, as a result, will be refunding us \$200 soon. We will use these funds to re-seed the vocations fund for next year. Thanks to all who added an extra \$5.00 on their dues payment toward this cause. The 4th Degree Assembly will also be awarding a total of \$500 to support up to two Religious Postulants. The selection process is still ongoing.

Lastly, I will be presenting the budget for this fiscal year to your Council at the August 22nd meeting. Last year, our Council tax return reflected gross receipts (and corresponding expenditures) of \$91, 754. So you can see that EVERYONE must do their share towards keeping up their support in DUES, RENTALS, and other designated FUND RAISERS such as BINGO. We are in good shape financially right now, but this can turn if support starts to slip even a little bit. Please pay your dues on time and come to BINGO.

We have a meeting once a month on the 4th Wednesday we have dues of \$10.00 a year due in September of each year. It is really relaxed and you will not be asked to do anything you are uncomfortable doing. I hope we get to see you at our next meeting.

Back in June we had our yearly dinner at Olive Garden. At the dinner we elected our officers. They are:

President	Mary Bonck	Home 244-5743	Cell 368-5743
Vice President	Juliene Schaefer	Home	Cell 502-0205
Treasurer	Sandi Zemanick	Home 244-5295	Cell 865-1870

In June we also went out to the Silver Slipper Tea House to have lunch and had 10 ladies. One a month we go out to socialize and to celebrate anyone birthday that might be that month. We had a great time at the tea house. We are planning on returning again in November or December since we have no meeting. We do not have a meeting those two months since we are usually so busy with the holidays. This is just for the ladies.

In July we went to lunch at the Old Hag's Cafe. We had a dozen ladies show up and had a nice time. In the month of August we are planning a trip to Pepper's in Shalimar. It is planned for the 9th at 11:00 am. I hope to see anyone who is interest in attending. Please call me and let me know so I can make enough reservations. I hope there will be some new faces at the luncheon.

HELP WANTED

FAMILY ACTIVITIES DIRECTOR –

The Family Director position is one of the ten service programs that we report our yearly activity to the state council. The primary responsibilities of the Family Director is to coordinate family functions within our council. There is basically three yearly activities we plan. The fall picnic, spring picnic and family night in months with a 5th Wednesday. There maybe additional special family related activities throughtout the year, but these are few and rare

BINGO SEASON -

Once again the bingo season is upon us. We are in desperate need for “worker bees” to help with the quarter games. Our bingo operation is very popular and brings in much need revenue. Bingo is held every Friday evening throughtout the season. If we can get enough volunteers to support this activitiy it would give relief to those who for years have carried the burden of working short handed every night. Please contact Gil Halliday or me at 225-0740 or tim_perks@live.com.

INSURANCE CHAIRMAN –

I need someone to act as our Insurance Chairman. He would assist in promoting our insurance program and would work closely with our Field Agent, Tim Pugh. This position would require organizing an insurance night. This doesn’t take a lot of time and would help me greatly. Please contact me at 225-0740 or tim_perks@live.com.

YOUTH ACTIVITIES DIRECTOR ASSISTANT –

I am still looking for an assistant to help Aaron Cantu our Youth Director. He plans activities for our youth programs and is another essential program that we report activity to the state council. We sponsor a lot of youth sports in our community. If you would like to assist these activities and Special Olympics programs, please contact Aaron Cantu or myself at 225-0740 or tim_perks@live.com.

What's Happening in Council 4444

The Worthy Financial Secretary/Vocations Director has completed all the necessary paperwork to award the RSVP Scholarship to two very worthy young candidates for Holy Orders. Congratulations to *Steven Olson* and *Matthew Busch*. The awards were announced at the June 27 meeting.

In May when I represented our council at the State Conference, I was privileged to accept an award for 1st Place, Division III, Top Dollar Winner, KofC Charities Inc., Citizens with Disabilities for 2011-2012 (Tootsie Roll Drive). \$18,144.44 was raised for this most worthy cause. Congratulation and thanks to all who worked so hard to make this award possible. I also received, for *Bob Brady* (and never forget his lovely wife *Judy*), an award for his work in Pro-Life Activities for 2011-2012. When you see *Bob* or *Judy* out and about, thank them for their dedication and hard work. We presented the awards at the 27 June meeting.

I want all to wish *Bob* and *Judy Brady* a most wonderful and most special 50th Wedding Anniversary. They celebrated this joyous occasion with their family the last week of July. May you both have many, many more.

The Installation of your new officers will be held on Sunday 5 August 2012. This was necessary to accommodate changes from State to the ceremonials. Your new officers will take office on 1 July as required. The Installation will be held at the Council Hall at 11:00 am following a 9:30 am Corporate Communion at Saint Mary Catholic Church. A luncheon will be held at the Council Hall afterwards. See flyer at the end of the bulletin.

We welcome out Boy Scouts back after summer vacation. Their first meeting for this scouting year is on the evening of 9 August at our Council Hall.

The Fourth Degree Officer Installation will be held at our Council Hall on Sunday the 19th of August. More information will be provided by our Faithful Navigator Ed Villarreal as it comes available.

I am pleased to announce that Brother Robert Gundlach is taking the position of Bar Manager. I want to thank him for stepping up to the plate.

Supreme has designated the week of 12 to 19 of August as Family Week. This week is to be devoted to family activities within our council. We have a 5th Wednesday on August 29th. That means Family Night. It's a great time to gather for a meal and games for the kids, as well as, the adults. If you have suggestions on what to do for Family Night please contact your *Family Activities Director or DGK Chuck Lynch. At the moment I am the Family Director.*

Don't forget Time and Talent on 25-26 August. We need volunteers to man a table at the PLC. We need two new members per month to meet our recruitment goal for this council year.

Submission for Knight and Family of the Month should be forwarded to your *Council Director, Dominick Fiorentino or DGK Chuck Lynch*, no later than the end of the month in which recommended. I need the Family of the Month selection by the end of the month because it must be sent to the state council no later than the 15th of the month following selection. The reason is that each of the 100 families selected by the state council will receive a beautiful Holy Family statuette along with a letter of congratulations from the Supreme Knight Carl Anderson. I want our families to be recognized.

For all 1st Degree members, there is a 2nd Degree Exemplification scheduled for 23 September. The exemplification will be held in Crestview. All concerned will be notified of the exact location and time when I get them. This is an important step in you growth within the Order. Please plan to attend dressed in business suit or business casual. Always attend an exemplification dressed for success. Come join us, make a difference.

Any member having something to submit for the edification and enlightenment of this Council just has to submit it to me at tim_perks@live.com no late than the last scheduled meeting of the month. I believe everyone should have the opportunity to be heard. You never know what you might learn.

Our Council Hall is scheduled as a voting precinct on August 14. Anyone needing transportation please contact me at 225-0740 or tim_perks@live.com.

If you have any suggestions about how you would like your bulletin to look and what it should contain, please do not hesitate to contact me at 225-0740 or tim_perks@live.com.

**** There have been some slight changes regarding the meal in the Installation Flyer sent out earlier. Please note that children eat ½ price, sodas will be provided and the bar will be open. ****
