FIELD AGENT'S REPORT

The Value of Life Insurance For Children

As a father, you worry about your children and do many things to protect them. We try to raise them right and make sure they are prepared to become adults. But have you ever thought about buying life insurance on your child?

When you insure a child, you are protecting his or her future. Did you know that one out of every six adults get rated, postponed, or denied for insurance coverage? If you purchase a policy for your child from the Knights of Columbus, it guarantees that more insurance can be purchased for that child without proving insurability.

Unfortunately, as fathers we don't have a crystal ball to tell us the future of our children. Your child could eventually have a rare disease, cancer, or be overweight. Did you know you can purchase a child's policy, in many cases, for less than \$10 a month?

KNIGHTS OF COLUMBUS COUNCIL #4444

I've heard it said that people don't want to "profit" from the death of a child, so they won't purchase coverage on their children. God forbid something tragic happens, those funds can come in handy at a time when finances will be the last thing on a parent's mind. I have never heard a story about someone who regretting buying coverage on a child.

Contact me today to discuss the many policy options for child plans, including 10- and 20-Pay life insurance.

FINANCIAL SECRETARY NOTES

Brother Knights, we have a new State Deputy! Donnie Goolesby from Bonifay will head the State Council for the next two years. Brother Donnie is no stranger to our Council, having visited us a lot more often than just once a year. The new Warden is Brother Bob Urrutia from Davenport, Florida (Winter Haven area). The Warden normally progresses through the state chairs and is elected State Deputy after 8 years in state offices. Brother (and Delegate) Tim Perks managed to wrench his back the night before he was to leave for the Convention, but soldiered on through the majority of the sessions, gaining (I'm sure) a Plenary Indulgence for all his pain and suffering. I came home with the Per Capita Tax Bill of around \$1,500. that we must pay to State for their 2016 operations, by the end of next month.

And speaking of Winter Haven, the 2016 State Bowling Tournament will be held there in April, and we just, finally, might have convinced the Board of Directors that a competitive division using bowlers with only USBC averages (Knights AND their ladies) will be established. There is a meeting on October 3rd in Orlando I may have to go to to finalize all this. Our local bowling league (Pinmasters, at White Sands lanes) begins again the middle of August. We currently have two Council #4444 teams that bowl on Tuesday nights, starting at 6 P.M. It would be nice to expand that to three teams and all of us set out to participate in the State KofC Tournaments again. Call Gil Halliday or myself if you wish to join us on Tuesday nights. All averages are acceptable, as this is still a social league.

Dues notices will be in the mail the middle of this month and I ask that you be sure to add an extra \$5.00 for Vocations. We will be giving out \$500 each to two Seminarians this month. I am having my son Stephen (who is now a priest) to help me find deserving recipients who come from our local diocese.

"Always be a part of your Council, not apart from it".

YBIC, Dick Olson

Holy Hour of Adoration

St Mary Council 4444 is the sponsor for the Holy Hour Adoration on Tuesday, June 16 at 6:30 p.m. at St. Mary Church. Fr. John Licari requested in March the Council sponsor one holy hour adoration during the year. Holy Hour includes Eucharist Exposition and Benediction. An opportunity to be "The Church Fully Alive" with personal prayer time in the present of the Eucharist. "The Church Fully Alive" is the theme Bishop Gregory Parke has chosen for the next year for our diocese. Need Knights to help with readings and ushering. An one time choir of Knights to support the singing of the hymns will practice Monday night, June 15, at 6:30 p.m. at St. Mary Church. KNIGHTS of COLUMBUS

ST. MARY'S COUNCIL, No. 4444
PO BOX 448
Fort Walton Beach, FL 32549

June 1, 2015

Brother Knights, Ladies, and Families,

I would like to thank each one of you who made the 2014 Citizens with Disabilities Drive, or "Tootsie Roll Drive" a resounding success. By exemplifying the Knights of Columbus' first principle of charity; you have once again proven that Council 4444 is dedicated to helping those who cannot help themselves. Your direct actions and support show why our Council is known as the "Pride of The Panhandle". We are proud that each and every one of you stepped up and we were able to collect over \$13,444.00 this year.

As you know because of your support we are now able to further our mission in bettering the lives of Citizens with Disabilities in Okaloosa County. Believe me when I say that your support makes an immediate impact in the lives of those we are helping. This year we will present three checks in the amount of \$3,556.51 each. These checks will be presented to Silver Sands School, Horizons, and Fort Walton Beach Developmental Center. Each one of these recipients participated in or in our drive and provided valuable manpower. Your support means the world to this council, and to all of the citizens who are helped. You truly exemplify the "Pride of the Panhandle".

We are well on our way to repeating this success when we conduct the 2015 Citizens With Disabilities Drive. This year we plan to participate in the Emerald Coast Home show on Saturday 19 and Sunday 20 September. We will conduct the "Tootsie Roll Drive" on Friday September 25, Saturday September 26, and Saturday 3 October. Most of the coordination is already accomplished for these activities. Please plan to volunteer once again and mark your calendars for these dates. We look forward to working together once again to support our community.

Thanks again and May God bless us all,

John Garvey
