What's Happening in Council 4444

Financial Secretary Report

My Brothers, here is the outline of our Council/Assembly Members & Widows Annual Christmas Party. All that is lacking for information is the listing of menu choices. They will be available shortly after this article is published. Our party will feature our ever popular Best Joke Contest, and Interspersed off-key caroling and music by XM radio. It will be held on Sunday, the 16th of December, at Piano's Italian Restaurant on Okaloosa Island just across the street from Pandora's. We are the only guests there on that day. Sammy's closes their doors, I understand. Cocktails and finger- food at 4 P.M. Dinner starts at 5 P.M. There will be a Super 50/50, and a few interesting door prizes, as well as a few useless ones. Fr. Howard Leach 4th Degree Assembly will again treat for the first bottle of wine for each group of 4. Tickets are payable in advance, and will be held to a cost of \$30.00 per person. Children are welcome, but must each pay \$30.00 and sing in the Children's' Choir. Dress is Tuxedo for 4th Degree members, and Suits for other Knights. Ladies should wear something "Christmassy" to complement their Knight. Santa will not be there; however, we hope to have a few priests, deacons, a seminarian or two in attendance. There will be no gift exchange, due to time constraints, but you can bring one for the Faithful Navigator and Grand Knight if you want to curry favor. Ticket sales will begin about mid-month. Lastly, our hall insurance bill for the year amounts to over \$5,300 and that is not covering windstorm damage, just fire, theft, and full liability. We paid it, but we are shopping around the local area for a better price. If anyone can put me in touch with an agent that will work with us, please get with me.

**Your Brother in Christ,
Dick Olson**

Health Report

November is American Diabetes Awareness Month

The vision of the American Diabetes Association is a life free of diabetes and all of its burdens. Raising awareness of this ever-growing disease is one of the main efforts behind the mission of the Association. American Diabetes Month[®] (ADM) is an important element in this effort, with programs designed to focus the nation's attention on the issues surrounding diabetes and the many people who are impacted by the disease.

- The American Diabetes Association is behind the largest national movement to Stop Diabetes and its deadly consequences.
- During American Diabetes Month 2012, the Association encourages Americans to share "A Day in the Life of Diabetes" by uploading a personal image on our Facebook page to show what the daily life of diabetes means to them.
- For every photo/image uploaded, CVS/pharmacy will donate \$1.00 to the American Diabetes Association, up to \$25,000.
- Learn how you can share your personal image and story during American Diabetes Month by visiting us at facebook.com/AmericanDiabetesAssociation, stopdiabetes.com or by calling 1-800-DIABETES.

- Read our blog (www.diabetesstopshere.org) and follow us on Twitter (@AmDiabetesAssn) to receive updates all month long. American Diabetes Month 2012 – Fact Sheet

About Diabetes

Prevalence

- Nearly 26 million children and adults in the United States have diabetes.
- Another 79 million Americans have pre-diabetes and are at risk for developing type-2 diabetes.
- Recent estimates project that as many as 1 in 3 American adults will have diabetes in 2050 unless we take steps to Stop Diabetes.

The Toll on Health

- Two out of three people with diabetes die from heart disease or stroke.
- Diabetes is the leading cause of kidney failure.
- Diabetes is the leading cause of new cases of blindness among adults.
- The rate of amputation for people with diabetes is 10 times higher than for people without diabetes.
- About 60-70 percent of people with diabetes have mild to severe forms of nerve damage that could result in pain in the feet or hands, slowed digestion, sexual dysfunction and other nerve problems.

Cost of Diabetes

- The American Diabetes Association estimates that the total national cost of diagnosed diabetes in the United States is \$174 billion. Direct medical costs reach \$116 billion and the average medical expenditure among people with diabetes is 2.3 times higher than those without the disease. Indirect costs amount to \$58 billion (disability, work loss, premature mortality). Further published studies suggest that when additional costs for gestational diabetes, pre-diabetes and undiagnosed diabetes are included, the total diabetes-related costs in the U.S. could exceed \$218 billion.
- The cost of caring for someone with diabetes is \$1 out of every \$5 in total healthcare costs.

Be Safe, Be informed and enjoy healthy living!

**Yours in Christ,
PGK Hal Griffin**

We had no nominations for Knight of the Month and Family of the Month for October. Let's recognize those deserving knights and families that work so hard to assist, not only our council, but their church and community.

Due to Ann's recovery and my absence at her side for most of the month, I was unable to bring you news about our bowling team. I promise to make up for it in a future bulletin. We did get new shirts. Didn't help our bowling, but we look good doing it.

KNIGHTS OF COLUMBUS COUNCIL 4444

On 3 October 2012, a First Degree Exemplification was held at our council. We received five new members into our ranks. They are Adrian Farne, Brian Shonk, Dennis McCarron, David Zeh, and Gregory Stewart. Congratulations to all of you. The Knights of Columbus is a very special endeavor. Service to others is a hallmark of the knights. As any anything you strive to accomplish, you get out of it what you put in. Your contribution to the knights and our mission to serve the widow and the children of our fallen brothers will fill your heart with joy and bring you a life time of memories. On 24 October, Dennis McCarron and David Zeh were presented their First Degree Certificates at our council meeting.

For all who missed it, we had a Family Fall Picnic on Sunday 21 October at the Hurlburt Field Picnic Grounds. We had games for the kids and even had a touch football game. The food was great as usual.

Bingo began Friday 19 October 2012. We got off to a slow start but it should pick up. Just a reminder to the TAP members, this is one of the events you need to qualify for the tuition assistance. We need more help running the games. Please come out and assist. This is the one event that helps us keep the hall running.

TAP Report

As many of you know, TAP held a fundraiser in late October. We hosted the Act4Murder Troupe which put on their production of "Murder at the Monster Bash". We were able to raise over two thousand dollars to support Catholic Education for our children. I would like to thank TAP Members Doug White and his wife Kristin, and Eric Davis and his wife Mary for all their hard work at the event. I don't know what we would have done without the help of Our Youth from TYM (who served the meals). I would also like to thank Rocco's Seafood for providing that delicious meal, and Gil Halliday who sold 50/50 tickets. The Silent Auction was a success and we are all grateful for all those who made donations to support our Catholic Schools.

KNIGHTS OF COLUMBUS COUNCIL 4444

Lastly, I cannot thank Father Michael Cherup for his continued support of TAP. It is because of his leadership and passion for the program that motivated me to make efforts to revive TAP during the year I was Grand Knight and to volunteer to become the director of TAP these past six months. I have however, decided to turn over the reins of our TAP (Tuition Assistance Program) to the Worthy Grand Knight, Tim Perks. This will take effect after I have a meeting with Principal Kubelka in an effort to broaden the scope of this important outreach. Tim has been an avid supporter of the program and I know he will be able to take it to the next level. As a final point, I want to thank everyone who supported the program over the years. I know its value, because it is from the Catholic Educational System that we inspire those who carry forward Catholic values. Many of whom move forward to dedicate their lives to Catholic Vocations, such as Priests, Nuns, Brothers and Deacons.

**Yours in Christ,
PGK Hal Griffin (TAP Director)**

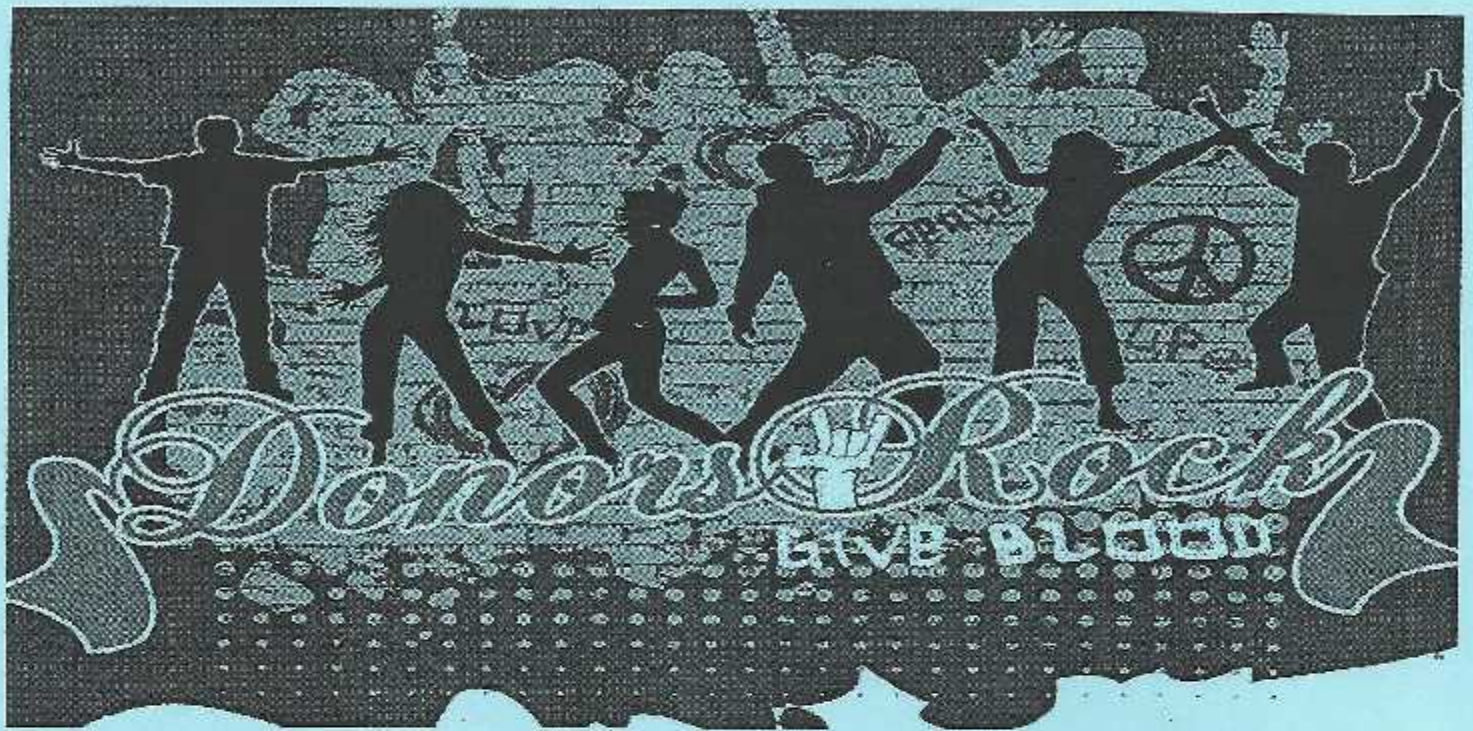

Submission for Knight and Family of the Month should be forwarded to *DGK Chuck Lynch*, no later than the end of the month in which recommended.

Any member having something to submit for the edification and enlightenment of this Council just has to submit it to me at *tim_perks@live.com*.

If you have any suggestions about how you would like your bulletin to look and what it should contain, please do not hesitate to contact me at 225-0740 or *tim_perks@live.com*.

NOTE: A correction has been made in this addition reference the telephone number for the Worthy Media Director/Webmaster. I apparently transposed the last 2 numbers. Please forgive me if this has caused anyone any inconvenience. The number, as corrected, should be: 850-803-3157.
