# Grand Knight's Report

## VIRTUE OF UNITY

Unity is the second virtue in the road to complete knighthood. Unity is very important to a knight because it connects us through Jesus Christ. We are all united by the love of Christ himself and for that we call ourselves "Your brother in Christ" Without unity we would all be individuals with no one to count on in difficult days or to share our joys and accomplishments in good days.

"So powerful is the light of unity that it can illuminate the whole earth."

~Bahá'u'lláh

The virtue of Unity seeks to bond us knights and also will eliminate strife and discord between us. It is important to keep in our minds and hearts the first two virtues of Knighthood; Charity and Unity. It is with unity that we can accomplish much in this life. Unity is what gives us the strength to accomplish all that we have done here in council #4444. It was unity that allowed us to become recognized as the number one council in all of Florida. It is unity that allows us to accomplish status as the number one Tootsie Roll Drive council. It is though the unity we share here in our council that all things are possible. If we all are joined in unity and have God on our side then who could defeat us?

The strength of many individuals being united is what gives our council possibilities of performing at the highest standards and do so much for our community and church. Fr. McGivney had a vision that we must stand together and unite. To do what Fr. Michael J. McGivney wanted we have to be united. This is what gives us all possibilities.

So I challenge each knight to leave behind your petty differences, and have unity in the support and direction of our council and of the Knights of Columbus. I ask all knights who haven't been to a meeting in a while to come back and feel the strength we have as we grow in unity and love for our faith.

Your Brother in Christ  
GK Manuel P. Valdez

## Raising Awareness About Life Insurance

Each September since 2003 has been designated as Life Insurance Awareness Month. Like most awareness-raising campaigns, Life Insurance Awareness Month was created because there is an overwhelming lack of understanding of the product among the general public. Each year, the Life Insurance Market Research Association puts out the results from a recent survey, and unfortunately, the numbers they report continue to be discouraging.

A recent survey found that 76 percent of people polled did not have a personal financial advisor. Sixty-eight percent of that same survey group said their opinion of the current economic conditions was somewhat unfavorable or very unfavorable.

In other words, a majority of those surveyed were uncomfortable with the economy and the uncertainty it brings, yet they did not seek professional assistance. Maybe they spoke with their friends and family. Maybe they hoped the instability would go away on its own. Maybe they did not know to whom to turn.

If you fall into this category, please remember that as a member of the Knights of Columbus, you have a full-time, professional agent you can call your own. My primary responsibility is the care and service of your family's life insurance, retirement and long-term care needs. I'll answer your questions because I want your decisions to be informed ones. I want to help.

Another LIMRA statistic said 43 percent of people did not buy life insurance because they worry about "making the wrong decision." Talk with me agent, and, afterwards, you'll understand that the only wrong decision was not purchasing sooner to protect your family's future.

Thank you, and may God Bless you

September is Healthy Aging® Month, is an annual health observance month designed to focus national attention on the positive aspects of growing older. The month, created by Educational Television Network over 15 years ago, is part of the Healthy Aging® Campaign, a national, ongoing health promotion designed to broaden awareness of the positive aspects of aging and to provide inspiration for adults, ages 50-plus, to improve their physical, mental, social and financial health.

In an effort to draw attention to the needs of the growing numbers of older adults, the month was developed to offer a second month on the calendar in addition to May is Older Americans Month. September was chosen as a time when many people think about getting started on new tasks after the summer. Drawing on the "back to school" urge embedded in everyone from childhood, the observance month activities are designed to encourage people to rejuvenate and get going on positive health measures. These measures include physical, social, financial and mental wellness.

According to Carolyn Worthington, ETNET president, "we saw a need to draw attention to the 'myths' of aging, to shout out - 'hey, it's not too late to take control of your health, it's never too late to get started on something new.' Why not think about the positive aspects of aging instead of the stereotypes and the negative aspects?"

The health information company created Healthy Aging® Month when the baby boomers were about to turn 50. "At that time, no one wanted to talk about growing older," Worthington says. "You know, it was that same '60's attitude... don't trust anyone over 30, 'hell no we won't go'.... Today as the boomers turn 60, it's a different story." "We recognized early on that careful attention to the combination of physical, social, mental and financial fitness was powerful in the pursuit of a positive lifestyle and have built our Healthy Aging® programs around that concept for the government and private sector through the development of September is Healthy Aging® Month, TV specials, videos, books, printed material etc."

"If You Think Old, You Are Old. You don't grow old. You become old by not growing"

A decline in memory is not always a function of serious disease, like Alzheimer's. Sometimes memory loss is caused by factors that can be changed, such as diet, medication misuse, depression, etc. At the National Institute on Aging, research is showing that memory may be like other parts of the body. Research showed that very gradual declines in memory take place until age 70 -- when the pace increases, but not so much as to impair us. In conclusion... **The processes of normal aging do not rob your memory!**

Be Safe, Be informed and enjoy healthy living.

Yours in Christ

The Widows quarterly Breakfast and Social held on Wednesday, August 17<sup>th</sup> was attended by thirteen of our Widows. I would like to thank all the Brother Knights and ladies of the Auxiliary who prepared this meal and helped with its serving. As always their assistance is essential in making this program a success.

Father Craig Smith was our Guest Speaker. His inspirational talk dealt with the closeness of Family. It focused on being there for one another at **All TIMES** and not just in a crisis. He reminded the ladies that as Widows of deceased Knights you are still members of our Family at **ALL TIMES** and not just when a need arises. Father Michael J. McGivney, Our Founder, specifically expresses that one of the most primary responsibilities of our Order is the continued care of the Widows and Orphans of our Deceased Brothers.

This year's Memorial Mass to Honor our Deceased Brother Knights is scheduled for Saturday, November 26<sup>th</sup> at 5:00p.m. in the Main Hall. A Diner will follow the Mass.

*PLEASE MARK YOUR CALENDAR FOR THIS IMPORTANT DATE*

**REMEMBER YOU CAN CALL ME WITH ANY QUESTIONS YOU HAVE:

4<sup>th</sup> Degree Dining Out

Sir Knights,

Our semi-annual Dining Out is fast approaching us. As you may know it is an opportunity for the members of the 4<sup>th</sup> Degree to enjoy good food and fellowship, while listening to an inspirational guest speaker.

Remember to set aside the evening of Saturday, October 22, 2011 for this event. The Dining out will be held at a Red Lobster, and our guest speaker will be USAF (retired) Colonel Edward Lee Hubbard. Colonel Hubbard is a Vietnam Veteran and a former Prisoner of War. It should be very interesting to hear him tell of his experiences.

More information will be posted in our next newsletter. We look forward to seeing all of our Sir Knights and their Ladies at this upcoming event!

## After rosary campaign, Florida sheriff abruptly shuts down abortion clinic on Marian feast

by Kathleen Gilbert

PENSACOLA, Florida, August 23, 2011 ([LifeSiteNews.com](http://LifeSiteNews.com))

A Pensacola abortion clinic has been suddenly repossessed by the local sheriff after operators reportedly failed to pay their mortgage.

Local pro-life advocates told LifeSiteNews.com that a sign was posted on the door of AMS of Pensacola, one of two abortion sites in the city, ordering immediate evacuation of the building under penalty of criminal charges. The notice showed a date of August 15, a date that is important to Catholics as the feast of the Assumption of Mary.

"Pro-lifers have been praying the rosary, offering assistance to women entering the clinic, and witnessing for life at this abortion clinic for about 10 years," said local pro-life witness Bob Brady.

Brady said the notice indicated that the property had been handed over to plaintiff Dione Pro, Inc., who local reports say filed an eviction notice against the abortion business last month. Locals were surprised at the suddenness of the mysterious shutdown, and some abortion advocates complained at the squeeze on local abortion business.

"Well, I have no idea why they shut down ... I just think it's a travesty when providers shut down and there are fewer, there's limited access to healthcare for women," Susan Watson, Northwest Florida Director of the ACLU, told ABC affiliate WEAR-TV.

The attorney's office named in the notice, Moore Hill & Westmorland PA Attorney, told LSN that the attorney handling the case would not be available to give comment until later in the week.

Sincerely,  
Bob Brady

## The Saint John Kanty Table Hits its Stride!

The Saint John Kanty Table (soup kitchen) is doing very well these days. We are serving and average of 50 people each Friday; many of them are homeless veterans. We have seen so much support from our Church Community, particularly the Council of Catholic Women and our own Ladies Auxiliary. Every month both these organizations have made monetary donations. We were overwhelmed to recently receive a check for \$500 from the CCW. Additionally the Ladies Auxiliary has passed the hat after each one of their meetings. We would not be doing nearly as well without their help.

We also have been blessed with over a dozen volunteers who regularly help prepare serve and clean each week. Thank you all!

Yours in Christ,  
Hal Griffin (Soup Kitchen Director)

Hello Ladies,

I would again like to invite the ladies to come and join us at our Ladies Auxiliary meetings once a month. These meetings take place on the 4<sup>th</sup> Wednesday of each month at the same time the men hold their meeting. You do not have to be married to a Knight to attend!

# Ladies Corner

Anyone who is married to a Knight, dating one, or is just the friend of a Knight is welcome. We would especially like to invite all of our Knights of Columbus Widows to join us!

We are still planning our holiday festival in December. We do this each year and it is a blast. There is nothing like the company of men & women who share our Faith to really get the Christmas Spirit moving within us! We would really like for more ladies to come and assist in this event, and have fun with us. In addition to being a great Holliday Event, this is one of our true money makers.

We would like to encourage all available ladies to come and see what we are all about.

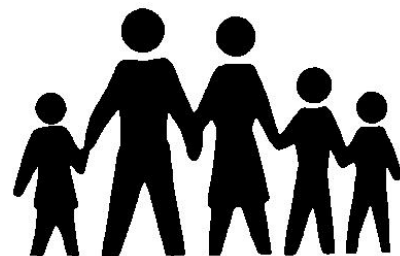

God Bless You and Your Family,  
Mary Bonck  
Ladies Auxiliary President

# Report of the 4<sup>th</sup> Degree

## Proud to be in the 4<sup>th</sup> Degree

After observing a group of Sir Knights from Our Assembly (1564) in action, I knew that one day, if I was ever to receive the honor of Knighthood I would want to join their ranks. This event took place on a cold February day when the Assembly was invited to support our former Bishop, The Most Rev. John H. Ricard at the Annual Liturgical Celebration Commemorating Black History Month.

These Sir Knights stood strong and sturdy in Full Regalia, at the end of each pew as the Mass was held. After the Mass, they marched out of the Church with precision and stood with their swords held firm and their feathered Chapeaux blowing gently in the breeze. There was a dignity exhibited by these men that was not lost on me.

Once I joined the Knights in 2009 I attended every meeting. After one of these meetings I once again encountered one of those men I had seen at that Mass. His name was Gil Halliday. I asked, "Brother Gil can you tell me about the guys who wear those feathered hats and carry the swords"? Gil responded, "They are in the 4<sup>th</sup> Degree". Gil went on to explain about the Patriotic 4<sup>th</sup> Degree that numerous Knights join. He told me that though numerous Knights join in Florida, sadly only 18% of Knights overall ever take their 4<sup>th</sup> Degree. He told me about the Color/Corps and the Honor Guard, and informed me of all the Church and Civic functions they were asked to attend.

Regalia are worn to encourage Catholic Citizenship. It is an honor to be invited to join The 4<sup>th</sup> Degree, as it is an honor to be invited into the Brotherhood of the Knights of Columbus. To me being a Knight is way to show others you are *proudly* in Full Communion with the Catholic Church. In my case and the case of every Knight I know, to be an American is to love Our Country.

I would like to encourage each brother who has taken the 3<sup>rd</sup> Degree to find a 4<sup>th</sup> Degree Knight and ask them if YOU might be invited to join this most special Patriotic Degree. I will always remember when I joined the 4<sup>th</sup> Degree.

I was lucky enough to be invited to be a part of the 4<sup>th</sup> Degree by a Sir Knight in only my sixth month in the order. The 4<sup>th</sup> Degree Exemplification was being held in Orlando, on Thanksgiving weekend in 2009. I was the only one from our Council, or our District who joined at that time. I drove down to Orlando that cold November Friday a 3<sup>rd</sup> Degree Knight. However, when I came back that Sunday, I did so as a Sir Knight.

I am very proud to be a 4<sup>th</sup> Degree Knight. I love my God, my Church and my Country as I did before I became a 4<sup>th</sup> Degree Knight. However, there is something about what taking that final step means to me. It is an outward sign of an inward commitment to all the above!

Yours in Christ,  
Sir Knight (Inter Sentinel)  
& DGK Hal Griffin

# From The Vault of the Financial Secretary

My Brothers, as you read this, the first reading of the Council Annual Budget will have taken place at our last August Meeting. The final reading and approval will be at the September 14<sup>th</sup> meeting. This budget process enables us to pay all expenses that are covered by the budget without a formal vote each time. The budget makes **NO** allowance for a profit. It, indeed, is a "Balanced Budget".

Also, starting later this month, I will be accepting Credit Card Charges using Visa, Master Card, and Discover in payment of dues, Vocations Support, and Newsletter Booster Subscriptions. You will have a choice of paying either on an automatic quarterly, semi-annual, or yearly basis, **OR** on a one-time basis. With this month's quarterly dues statement, you will receive a form that will show you all the options. If you owe no dues this quarter, and want to support vocations or renew your Newsletter Subscription, you can contact me by phone or e-mail. Rest assured, the card info you send me will be protected as well or better than other merchants are able to do.

Lastly, a copy of the latest Semi-Annual Audit has been posted on the Council Bulletin Board. Our bank balances from January 1<sup>st</sup> through June 30<sup>th</sup> remained substantially the same. And that is good.

Your Brother in Christ, D I C K
